

Android Digital Season Ticket User Guide

This guide has been created to help supporters better understand and troubleshoot their Digital Season Ticket and to ensure they are matchday ready.

Each Pass will be delivered, via email, to the registered email address for the supporter and only one pass should be downloaded to a single mobile device. Once downloaded to the device, the pass will automatically update within seven days of each match you are permitted to attend.

Downloading your digital pass to your Android device

1. Open the email in the mobile device you wish to download your Digital Season Ticket to.
2. For Android users, click the “G Pay – Save to phone” icon in the email.

3. Once clicked, a pop-up will shortly appear with the pass. At this stage you must add the pass to your G Pay.

4. To add the pass, click 'open app'

5. The pass has now been saved to your Google account.

Your Digital Season Ticket Explained And How To Access It On Matchday
