On a matchday the Club's Supporter Liaison Officers (SLOs) can be found at the turnstiles, stadium island and in the stands to support fans and collect your feedback. You can find our SLO information points at Blocks 110, 153, 141, 132, 125 and externally at turnstiles G, H, J and D. If you find that your matchday experience is not how it should be, or you have an enquiry please feel free to speak to an SLO who will be dressed in a bright blue West Ham United tabard or jacket. If you have an

issue that cannot be resolved on the day, please contact us using the contact information on the following page.

Complaints

We always aim to provide the very best service and experience for all supporters. We take all complaints seriously and on occasions when supporters are not satisfied with our service we welcome your feedback so that we can do our best to put things right. To raise your queries or concerns formally with the Club, you can use one of the following methods below:

Email - supporterservices@westhamunited.co.uk

Letter - Supporter Services, West Ham United Football Club, London Stadium, Queen Elizabeth Olympic Park, London E20 2ST

The Supporter Services team aims to acknowledge all enquires within one working day and to provide a resolution to any complaint within a maximum of 14 days.

Once a formal complaint has been received, a 'Ticket Reference Number' will be sent to confirm that the enquiry has been officially logged with the team for review. Quite often the team will be the intermediary between the supporter and the relevant department to ensure the review is handled effectively and brought to a conclusion in a timely manner.

We aim to provide a satisfactory conclusion to all complaints received at Supporter Services and we hope there isn't a need to move on any further.

However, if you are not satisfied with the response you have received or feel your complaint has not been resolved, you can request to escalate this for final review to the Club's Head of Supporter Services by email to supporterservices@westhamunited.co.uk

The Head of Supporter Services will thoroughly appraise the situation, including all correspondence to date, before responding with a final conclusion.

SECTION 7: REPORTING INCIDENTS AND CONCERNS

Equality, diversity and inclusion are at the heart of West Ham United. We encourage everyone to stand side by side in supporting their team, providing an equal and inclusive experience for all of our supporters, whether that be on matchday, online, via our day-to-day services, or through consultation with our supporters' groups and forums, everyone is valued equally.

We promote our values, of equality, inclusion and togetherness, and celebrate diversity amongst our fanbase at all times. However, we understand that we cannot legislate for everyone's behaviour before they come into the stadium or in the way they conduct themselves on social media or in their private lives. West Ham United is unequivocal in its stance - we have a zero tolerance approach to any form of discrimination or abusive behaviour.

We recognise our responsibility to dealing with incidents in the right way and the safety and welfare of our supporters is our utmost priority. All incidents reported to the Club, on matchday or any other forum, are subject to the Club's offences, sanctions and educational processes.

On Matchday

The Club provides a number of reporting mechanisms on matchday to ensure that supporters can report any incidents discreetly and in confidence, this includes a dedicated SMS reporting service which is advertised in the matchday programme, on the big screens, on the [Hammers Help Centre](#), on [WHUFC.com](#), via [social media](#) and in all of the gangways in the upper and lower tier of the Stadium.

Should you have witness or experience any incidents on matchday you can report your concerns by:

- Speaking with the nearest steward or [Supporter Liaison Officer](#)
- By texting Support and your message to 83121

All incidents are reported to the Control Room, text messages received are treated in the strictest confidence and are sent directly to the control room. This will enable the safety and security team to monitor and handle the situation at the time of it occurring.

The safety and security of all supporters is of paramount importance to us and we are committed to ensuring that everyone has a safe and enjoyable experience while they are at London Stadium.

It is vitally important to our investigations that any incidents are reported to us at the time they occur. This will enable us to monitor the situation and take the appropriate action on the day. However, if you do need to report any concerns to the Club after the game, please contact supporterservices@westhamunited.co.uk.

Online or social media abuse

The Club routinely monitors all of its social media channels in order to identify and deal with any discriminatory posts online.

We do everything possible to ensure our online communities are safe spaces for all West Ham United supporters. We recognise that football cultivates a range of opinions from across the fanbase and so we ask that supporters engage on our platforms respectfully at all times, even when their views may differ. To help ensure our platforms continue to be safe and fun places for fans to enjoy, we encourage supporters to report any concerns to us and the platform host directly.

The Club will not tolerate any form of discrimination on its social media platforms and will take action against any offending posts working with supporters and the platform host or moderator.

If supporters do witness or experience any form of discrimination online, they should report it to us and the platform host/moderator in the following ways:

SECTION 9: DIVERSITY AND INCLUSION

The pursuit of addressing injustice and promoting well-being is a continual endeavour ingrained in the Club's heritage, tracing back to Arnold Hills. In 1900, Hills revamped the Thames Iron Works Football Team into West Ham United FC and took decisive steps to enhance the conditions, well-being, and engagement of its workers and players.

As a Club we are dedicated to listening, educating, influencing and raising awareness. Equality, diversity and inclusion sits firmly on the Board's agenda, and we will continue to push forward with our robust and effective community work to promote equality and are recognised as one of the Premier League Clubs leading the charge in this area. Our approach is an inclusive one and we focus on integration and cohesion and, as a result, in December 2020 the Club were awarded with the Advanced level of the Premier League's Equality Standard (PLES) – the highest level which can be achieved, recognising our ongoing commitment to EDI. The Club was awarded the Advanced level, now called the Premier League Equality and Diversity Standard (PLEDIS) for the second time in October 2023.

The Club engages in a number of EDI initiatives and is accredited as a London Living Wage employer, Disability Confident Leader and part of the [Valuable 500](#). We continue to be in regular contact, and have strong relationships with, external campaign organisations such as [Stonewall](#), [Show Racism the Red Card](#), and [Kick It Out](#).

Alongside this, we continue to work closely with all our Supporter Groups, including Inclusive Irons, Pride of Irons and West Ham United Disabled Supporters Association to ensure the supporter voice is heard in all club decision making, collaborating with them on dedicated initiatives, events and activities

Whether on matchday, online, through our day-to-day services, or through engagement with our supporters' groups and forums, we are committed to engaging authentically and proactively. Here are some of the reasons why:

- 1. We want to foster a welcoming atmosphere:** Embracing diversity ensures that all fans, regardless of their background, feel welcome and valued, creating an enjoyable environment for everyone
 - 2. We want to promote mutual respect:** Inclusion fosters a bottom line of acceptable behaviour and reduces the likelihood of conflicts and abuse, leading to a safe experience for all our supporters
 - 3. We want to ensure all our supporters can attend West Ham United:** Prioritising equity ensures that all fans have equal access to match day and supporter opportunities, experiences and resources. We are flexible and adaptable to the needs of supporters
 - 4. We want to welcome new fans to the Club:** A commitment to diversity and inclusion demonstrates West Ham United is a club for all, and we encourage new supporters to come and get behind the team
 - 5. We want our supporters to create lasting memories:** An inclusive and equitable environment allows all supporters to focus on enjoying the game, free from the distractions of discrimination or abuse.
- 

SECTION 10: SAFEGUARDING

We seek to ensure the safety and wellbeing of all children, young people and adults who attend matchdays and engage in activities with the club. Safeguarding requires and contributes to a culture of vigilance, including that which values and promotes inclusivity and diversity, to ensure everyone remains safe and is treated with dignity and respect.

It is through the application of the Policy and Procedures that the club will seek to develop a positive and proactive welfare programme to enable all children, young people and 'adults at risk' to attend and participate in an enjoyable and safe environment. This equally applies to the safety and security of those working with and responsible for the activities involving children, young people and 'adults at risk'.

The Policy and Procedures have been approved and endorsed by the club's Senior Executives as well as the Local Safeguarding Children Board and promotes the statutory guidance for safeguarding and promoting the welfare of children. The club will also ensure compliance with the Protection of Freedoms Act 2012. Information sharing between West Ham Safeguarding practitioners, external welfare agencies, and children organisations are essential for effective identification, assessment, risk management and service provision. Fears about sharing information cannot stand in the way of the need to safeguard and promote the welfare of children and young people at risk of abuse and neglect.

Safeguarding policy at the club ensures there is a designated Safeguarding Officer/Lead on duty at all matchdays. The policy is available to download from [here](#).

For further information on the Club's Safeguarding matchday or other event arrangements, please email safeguarding@westhamunited.co.uk. If you have a concern on the day about the welfare of a child, young person or adult at risk, please inform the nearest Supporters Service Liaison Officer (SLO), steward or stadium response team that you wish to report a welfare/ safeguarding concern.

All matchday staff must escalate to Stadium Match Day Safety and the Club's Safeguarding Team who will respond. Post-match or event, the Safeguarding team can be contacted on [07801 406 447](tel:07801406447) or at safeguarding@westhamunited.co.uk
